

The Rec. Center will be closed
while we re-surface our gym and
dance room floors.

The process that is used for
re-surfacing creates harsh fumes.

**April 25 - April 28: Rec Center is
closed for resurfacing.**

**April 29 - May 3: Rec Center is open,
*the main gym and dance room are
closed; all other areas will be open.***

**May 4: Rec Center is open, *the main gym
and dance room are re-opened*, but no
heavy equipment can be used on those
surfaces.**

**May 26: Main gym & dance room back to
full use.**
